

CANNA ADVISORS[®]

BUILDING THE INDUSTRY

ENVIRONMENTAL AND SAFETY SUBJECT MATTER EXPERT (SME) - CANNABIS

Canna Advisors is committed to seeing our clients succeed. Helping new businesses launch and established businesses grow, we're the premier investing, advocacy, and mentoring partner in the cannabis industry. We help cannabis entrepreneurs win business licenses, optimize facility design, standardize operations, and maximize business development. No matter the task, we are passionate about making cannabis the next great American industry.

We have a need for **Environmental and Sustainability Subject Matter Experts (SME)** on a 1099/contract basis to produce high-quality cannabis license applications, as well as other business documents contributing to the overall success of Canna Advisors and their clients. In particular, **professionals that have experience managing environmental compliance and sustainability in cannabis or another a highly regulated industry.**

WHAT'S NEEDED IN THIS ROLE

- In-depth knowledge of sustainable building and facility design, especially in cannabis
- Demonstratable leadership of sustainability initiatives
- Solid experience working in a highly regulated industry
- Knowledge of environmental compliance as it relates to cannabis/cultivation
- Ability to adapt to different sets of regulations per state, and the knowledge of how they differ
- Professional writing experience, including applications, RFP proposals, business plans, and/or Standard Operating Procedures (or other similar, persuasive writing experience)
- Argumentative, compelling, and exact writing skills, as well as excellent and timely written and verbal communication skills
- Humility and ability to take constructive criticism and incorporate it into all future work after being briefed on issues once
- Proactively seek guidance and ask questions in the process of writing materials
- Ability to research and accurately interpret laws, regulations, and industry best-practices to suit the needs of the assignment
- Ability to communicate technical information to non-technical audiences
- Ability to recognize and adapt to changing requirements, schedule changes, and any other challenges that might affect a project
- Ability to work well with other professionals, both peers and subject matter experts
- Ability to prioritize and manage multiple ongoing projects within a deadline-driven environment

WHAT WILL SET YOU APART

- A PASSION FOR THE CANNABIS INDUSTRY
- Project Management experience
- Professional experience of federal grant writing or drafting responses to RFPs
- In-depth, first-hand knowledge of the cannabis industry
- Demonstrated experience writing winning license applications
- Bachelor's degree in pre-law, journalism, communications, sciences, or equivalent degree

\$25.00/hr - \$45.00/hr, commensurate on experience
